Dear Mr. Peltier:

I am enclosing the care label you sent to me.

This care label is typical of the care label that we would have sewn in a Calvin Klein jean made of corduroy.

I hope this information will help you.

Sincerely,

Dear Ms. Bini:

I refer to our telephone conversation of July 22, concerning the necessity of identifying of a pair of jeans found in El Salvador.

I am enclosing the care patch as you requested. I would appreciate learning whether it could possibly have been a pair of Calvin Klein corduroy jeans. The family of the missing person described these jeans as being pearl grey in color and being of "pin wale" fabric. They would have been purchased late in 1980 in the New York/New Jersey area.

If you have further questions, please do not hesitate to telephone me as (202) 632-5225. Thank you for your assistance in what I am sure is an unusual request.

Sincerely,

Alec M. Peltier
